BLOODSTOCK INSURANCE – ALL RISKS OF MORTALITY GUIDANCE NOTES AND KEY POINTS

- Your horse is insured against death from natural causes, as well as destruction on humane grounds if certified by a qualified veterinary surgeon as being justified in order to relieve incurable suffering. Theft coverage is also included.
- The policy does **NOT** give you loss of use cover. You are **NOT** covered if your horse is rendered incapable of carrying out the use for which it is insured, unless of course it dies or is destroyed on humane grounds.
- At inception of cover your horse must be confirmed in sound health with this being documented by either a veterinary certificate or a declaration of health, whichever is requested. Pre-existing conditions that are potentially life threatening will be excluded from cover.

However, at renewal of an annual policy, provided the condition has been notified to insurers, losses arising from it will be insured for a further period of up to 365 days. Your annual policy has been endorsed to include the Twelve Months Extension clause (as shown in your Coverage Summary).

If your policy covers a period of less than twelve months an extension period of 30 days applies. Your policy in such circumstances has been endorsed to include the Extension Clause for Short Term policies (as shown in your Coverage Summary).

- Except as provided for in the applicable extension clauses, once a policy has expired there is no further coverage for any potentially life threatening conditions.
- Your policy is placed as AGREED VALUE, however, you have a responsibility to ensure that the sum insured reflects fair market value.
- If your policy is subject to an excess then the payment of the sum insured or limit of liability in the event of a claim will be reduced by the amount of the excess. This may be expressed as a percentage of the sum insured or limit of liability.
- If your policy is subject to a deductible then the insurers will only pay for the amount of loss or losses which exceeds the deductible. The deductible may be expressed as a percentage of the overall sum insured or limit of liability and will vary depending on the total amount insured. The deductible may be an annual deductible for all losses occurring during the period of insurance.
- **FULL PREMIUM IF LOSS (FPIL)** In the event of a loss on a horse which you have either added to an existing policy or taken out cover for less than 12 months, you will have not paid the full annual premium on this horse. As such, Underwriters will require the balance of the full premium to be paid prior to the claim being settled.

FACTORS WHICH AFFECT YOUR PREMIUMS

Factors which affect the level of your premiums include the sum insured or limit of liability you select, your share in the horse(s), the use and location of the horse(s), the age and health of your horse(s), your insurance and claims history and the period you require for the policy. Generally speaking premiums for periods of cover of less than one year are greater than pro rata - the short term premium scale is shown in your policy document. Stable discounts are offered for policies covering more than one horse depending on the overall values insured.

THE POLICY WILL NOT PAY

- For any veterinary fees incurred by you in treating your horse, or post mortem expenses in the event of its death – UNLESS your policy has been extended to include Life Saving Surgery for qualifying expenses (additional premium required).
- For any liability arising from damage or injury caused by your horse.
- If you have your horse destroyed on economic grounds.
- For losses due to terrorism.
- For losses arising directly or indirectly from Avian Influenza.

YOUR RESPONSIBILITIES

In order to make sure that your policy will respond in the event of a claim it is very important that YOU SHOULD NOTIFY US if:-

- It becomes apparent that the sum insured or limit of liability exceeds your horse's fair market value (for example if the highest bid at an auction for your horse falls short of the reserve price and your policy sum insured or limit of liability). You should then instruct us to make the requisite adjustment to the sum insured under the policy.

Conversely you should inform us if you feel the sum insured justifies an increase.

- The use of your horse described in the Coverage Summary changes.
- Your horse is going to move outside the territorial limits shown on the policy.
- You dispose of any interest in your horse.
- Your horse suffers any illness, disease or injury. In such event you must arrange immediately to have it treated by a qualified veterinary surgeon.
- Your horse undergoes any surgical operation including castration within 7 days of such operation taking place.
- Your horse dies. You must then arrange for a full post mortem examination and identification to be carried out.
- Your horse is stolen.

FAILURE TO ACT IN ACCORDANCE WITH THE POLICY CONDITIONS MAY INVALIDATE YOUR POLICY

IMPORTANT – This summary is not a substitute for the Coverage Summary and Policy – it is important that you read the Coverage Summary and Policy. Nothing in these notes prevail over the terms, conditions and exclusions of the Policy

IMPORTANT NOTE

Subject to the provisions of the Insurance Contracts Act, 1984 or any amendment thereto, the Underwriters may refuse to pay a claim or otherwise reduce their liability if the INSURED fails to comply with or breaches any of the conditions of this Insurance.

CONDITIONS

1. It is a condition of this Insurance that at the commencement of this Insurance the HORSE is, with the exception only of those conditions known to the INSURED which have been completely and accurately disclosed to and accepted in writing by the Underwriters, in sound health and free from any illness, disease, lameness, injury or physical disability whatsoever of which the INSURED is aware or a reasonable person in the circumstances could be expected to be aware of.

This condition shall also apply in respect of:

- a) any additional sums insured on the HORSE already insured; and/or
- b) any HORSE added to this Insurance; and/or
- c) any other extension of or addition to coverage.

In any of the above cases (a), (b) or (c), this condition must be satisfied as of the date of such increase, addition or other extension of or addition to coverage.

2. The Underwriters' acceptance of a Veterinary Certificate, or Declaration of Health where such declaration has been accepted by the Underwriters as a satisfactory substitute for a Veterinary Certificate, submitted in connection with the INSURED's application for Insurance or any extension of or addition to coverage on the HORSE shall neither remove nor reduce the requirement of full compliance with Condition 1 in respect of the HORSE. However, if the Underwriters have accepted a Veterinary Certificate, or Declaration of Health where such declaration has been accepted by the Underwriters as a satisfactory substitute for a Veterinary Certificate, then the burden of proving that the HORSE was not in sound health or free from any illness, disease, lameness, injury or physical disability whatsoever at the commencement of cover for the HORSE under this Insurance shall be upon the Underwriters.

3. It is a condition of this Insurance that, at the commencement of this Insurance (or on any increase, addition or other extension to coverage), and during, this Insurance, the INSURED is the sole owner of the HORSE. This Insurance shall cease to cover the HORSE immediately when the INSURED sells the HORSE or parts with any interest in the HORSE, whether temporarily or permanently.

4. If, during the period of this insurance, the INSURED elects to have the HORSE castrated or spayed, the INSURED shall notify the Underwriters of his election to do so not less than seven (7) days prior to the HORSE being operated upon for castration or spaying. The Underwriters may on receipt of this notification cancel this insurance, in accordance with the provisions of Condition 13b).

5. In the event that at any time during the period of this Insurance the HORSE is entered but not sold in a public auction and the Underwriters' limit of liability specified in the Schedule exceeds the highest amount bid in such public auction for the INSURED's interest in the HORSE as specified in the Schedule, the INSURED shall within five (5) days thereafter inform the Underwriters in writing and shall substantiate to the Underwriters' satisfaction any limit of liability which exceeds the highest amount bid in such public auction, so that the Underwriters may determine whether they will cancel this Insurance, in accordance with the provisions of Condition 13b).

6. It is a condition of this Insurance that the INSURED shall inform the Underwriters in writing not less than five (5) days before any HORSE is to be taken outside the geographical limits stated in the Schedule or endorsed thereto.

7. It is a condition of this Insurance that:

a) in the event of any illness, disease, lameness, injury, accident or physical disability whatsoever of or to the HORSE, the INSURED shall immediately, at his own expense, employ a VETERINARIAN and, if required by the Underwriters, allow removal of the HORSE for treatment; and

b) in the event of the death or HUMANE DESTRUCTION of the HORSE, the INSURED shall immediately at his own expense arrange for a POST-MORTEM to be done by a VETERINARIAN and submit a copy of the report to the Underwriters as soon as possible after the death or HUMANE DESTRUCTION of the HORSE; and

c) in the event of either 7a) or b), the INSURED shall immediately give notice to the person or persons specified for the purpose of notification in the Schedule, who will instruct a VETERINARIAN on the Underwriters' behalf, if deemed necessary;

d) the Underwriters have the right to have a POST-MORTEM carried out by their VETERINARIAN at their own expense.

8. After receiving permission from the Underwriters, the INSURED shall arrange for the removal and disposal of the remains of the HORSE at his own expense. The Underwriters are entitled to receive any money recoverable by the INSURED in excess of the removal and disposal costs if the remains are sold.

9. It is a condition of this Insurance that the INSURED shall file with the Underwriters a completed claim form and release within sixty (60) days after the death, or HUMANE DESTRUCTION of the HORSE.

10. It is a condition of this Insurance that the INSURED shall at all times cooperate with the Underwriters and their representatives in the adjustment and investigation of any claim or potential claim by:

a) providing the Underwriters and their representatives with access to any person(s), information, records and documents they may require; and

b) the INSURED, his family, representatives, agents, employees, bailees or other persons having care, custody or control of the HORSE submitting to examinations under oath, if required by the Underwriters.

11. If at the time of death or HUMANE DESTRUCTION of the HORSE the INSURED has any other insurance in force in respect of the HORSE, which such other insurance is specified in the Schedule, the Underwriters shall only be liable under this Insurance for the amount by which the FAIR MARKET VALUE exceeds the amount of indemnity available under the other insurance, if at all, arising from the death or HUMANE DESTRUCTION of the HORSE.

12. If the Underwriters make any payment under this Insurance, then the Underwriters shall be subrogated, to the extent of such payment, to all rights and remedies of the INSURED against any party and shall be entitled at their own expense to sue in the name of the INSURED.

The INSURED shall execute all documents and give to the Underwriters all such assistance as the Underwriters may require to secure such rights and remedies. The INSURED shall do nothing to jeopardise or extinguish the rights against a third party or parties to which the Underwriters are subrogated, and shall take all necessary steps to preserve such rights.

Any sums or property received by the INSURED that are due to the Underwriters under their rights of subrogation shall be held on trust for the Underwriters and shall, subject in respect of a recovery of the HORSE to Additional Theft Condition f) below, immediately be paid and/or delivered to the Underwriters following receipt.

13. Cancellation

a) This Insurance may be cancelled on a short rate basis as set out below at the written request of the INSURED stating at what date thereafter such cancellation is to be effective.

2 months: 30% of annual rate	7 months: 75% of annual rate
3 months: 40% of annual rate	8 months: 80% of annual rate
4 months: 50% of annual rate	9 months: 85% of annual rate
5 months: 60% of annual rate	over 9 months: 100% of annual rate

Plus the Underwriters to retain in full any premium for additional risks including but not limited to surgery, transit and foals.

b) This Insurance may be cancelled by the Underwriters on any of the grounds set forth in the Insurance Contracts Act, 1984 or any amendment thereto by giving written notice to the INSURED at its last known address to take effect from a date at least five (5) days after the giving of the notice. In such case the Underwriters shall return the paid premium less the earned portion calculated on a pro rata basis from the date of such cancellation. Plus the Underwriters to retain in full any premium for additional risks including but not limited to surgery, transit and foals.

c) If a loss is paid on the HORSE whether by settlement, compromise or otherwise, no return of premium shall be allowed in respect of the HORSE.

13. Provided that coverage under this Insurance has been admitted in writing by the Underwriters and the only dispute between the INSURED and the Underwriters is the FAIR MARKET VALUE of the HORSE, and the INSURED agrees to arbitration, then the dispute shall be submitted to and resolved by three arbitrators selected by mutual agreement between the INSURED and the Underwriters, or failing mutual agreement within a reasonable period, by the president for the time being of the Federation of Bloodstock Agents Australia Limited or his nominee.

Such arbitration will be the exclusive remedy available to the parties in order to resolve a dispute as to the FAIR MARKET VALUE of the HORSE. The INSURED, however, may not initiate such arbitration against the Underwriters unless the INSURED has first complied with all of the terms and conditions of this Insurance and has given written notice to the Underwriters of his intention to arbitrate within twelve months from the date of loss of the HORSE.

Such arbitrations proceeding shall be held at venues mutually agreed between the INSURED and the Underwriters or failing mutual agreement as agreed by the Arbitrators.

All administrative fees and expenses of the Arbitration and the Arbitrators' fees shall be shared equally between the INSURED and the Underwriters, subject to the final apportionment by the Arbitrators in the award. Legal costs and witness fees shall be paid by the party incurring them.

The INSURED and the Underwriters shall both be entitled to conduct and obtain discovery as provided for by the *Uniform Civil Procedure Rules, 2005* (NSW) prior to any hearings conducted by the Arbitrators. Any disputes arising out of or in connection with such discovery shall be submitted to the Arbitrators for determination.

Any award rendered by the Arbitrators shall be final and binding upon the INSURED and the Underwriters and may be entered in Court of competent jurisdiction, as provided for by the *Commercial Arbitration Act, 1984* (NSW).

15. The Underwriters accepting this Insurance agree that:

(i) if a dispute arises under this Insurance, this Insurance will be subject to Australian law and practice and the Underwriters will submit to the jurisdiction of any competent Court in the Commonwealth of Australia;

(ii) any summons notice or process to be served upon the Underwriters may be served upon:

Lloyd's Underwriters' General Representative in Australia
Level 9

1 O'Connell Street
Sydney NSW 2000

who has authority to accept service and to appear on the Underwriters' behalf;

(iii) if a suit is instituted against any of the Underwriters, all Underwriters participating in this Insurance will abide by the final decision of such Court or any competent Appellate Court.

16. The INSURED may not bring legal action against the Underwriters unless the INSURED has first complied with all the terms and conditions of this Insurance and commenced such legal action within twelve (12) months from the date of loss of the HORSE. In the event any portion of this condition is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

17. Terms of this Insurance which are in conflict with the laws of the state or country in which this Insurance is issued are hereby amended to conform to such laws.

Subject to the Policy Terms, Conditions and Exclusions if a covered loss occurs the Underwriters will pay the full amount for which that horse is insured under this Insurance at the time of loss.

For the purpose of this clause the term 'sole owner' extends to include the Assured acting as authorised agent for one or more owners of the animal or that stated interest herein.
